Crime Alert

RE: 13.CA.073 Theft and Fleeing from Wal-Mart

DATE: November 1st, 2013

On October 31st, 2013 at approximately 9:58am a white male with a goatee entered the Wal-Mart on Stringtown Road in Grove City, Ohio. The male placed a Dell computer into his shopping cart and then exited the store without paying for the item. The male got into the passenger side of a teal colored full size pickup truck with an extended cab and a silver tool box in the bed. The windows of the truck had a dark window tint upon them.

A Grove City Police Officer located the vehicle as it turned southbound onto State Route 104. The officer tried to stop the vehicle but it accelerated to a high speed, began going left of center and passing other vehicles. The pursuit was ended.

If anyone can identify the male or the vehicle pictured on the second page please contact the Grove City Division of Police at 614-277-1710.
